

TYKES HOCKEY

BUFFONE ARENA, WORCESTER

This program is an excellent introduction to ice skating for youngsters ages 4 through 6 years old (3 year olds may be included at discretion of director) who would like to play hockey. Each class consists of a 25-minute lesson where skaters learn the necessary skills to enter into a hockey program in the future. The program includes an optional, unsupervised 25-minute practice on weekdays or free admission to Public Skating immediately following the class on weekends.

Each child will receive a progress book with stickers that will help keep track of your child's progress as they move through the 5 beginner levels. When skaters complete the program, they are ready to move into our Hockey Skating Skills program. Skates will be available free of charge on a first-come, first-served basis with limited availability. If you decide to purchase skates for your child, please remember that only single blade skates are allowed. HECC certified helmets are strongly recommended. Skaters should wear warm, comfortable clothing and mittens or gloves to class.
